## Pop in NJ: Mount Mitchill and Atlantic Highlands

By [Jon Chattman](#) | September 30th, 2009

Even on a cloudy day taking in the Mount Mitchill Scenic Overlook at the Atlantic Highlands was rewarding. At 266 feet, the site sits on the highest point on the East Coast. The 12-acre park also features Monmouth County's 9/11 Memorial which is fitting since you're staring across to the Manhattan skyline. Overall, the Atlantic Highlands is a hot spot and hidden treasure of sorts in Jersey.
